

4th Annual Walk-A-Thon Fundraiser

Sponsored by Indian Hills Peninsula Ladies Aux

March 9, 2024, between 8 and 10 AM

Walk alone or with a group!

WHY ARE WE HAVING A FUNDRAISER?

All of the Walk-a-Thon dollars go to our Auxiliary for operating costs, beautification projects, social events, maintenance for our Civic Club building and neighborhood, and we also send support to the Scenic Loop Fire Department, S.P.C.A., and F.A.I.T.H. (supporting our military).

WHO CAN PARTICIPATE? ALL are welcome! You can have a family team or walk alone!

HOW DO I ENTER?

1. Contact Dale Ann (713) 560-6679 to sign up. You will get a Pledge Sheet and pay a \$10 registration fee for each walker.
2. Look on ihills.org, find the pledge sheet link next to this event on the Club or Ladies Axillary calendar page, print your Pledge Sheet, and show up on the day of the event with your \$10 registration fee.
3. Check the nook on the left side of the welcome sign and pick up a Pledge Sheet and a Flyer, then show up on the day with your registration fee and your completed Pledge Sheet.

HOW DO I GET SPONSORS?

Call your neighbors, family, and friends and ask them to pledge a dollar amount to your walk.

For example, they may want to pledge \$2 a mile or \$10 a mile that you walk. If you are doing laps around the pond, they could sponsor you for the number of laps you make. Of course, a flat donation amount would be welcome as well!

WHAT IF I'M OUT OF TOWN BUT WANT TO PARTICIPATE?

You can sponsor someone who is here to walk, like is explained above, or just donate a set amount for the fundraiser.

VOLUNTEERS NEEDED

Day Before: March 8th, the day before the walk, volunteers are needed at the Civic Club to put out the mile markers.

Day Of the Walk: March 9th: Volunteers are needed to be set up at stations along the walking routes to hand out bottled water and encourage the walkers.

WHAT ARE THE WALKING ROUTE OPTIONS?

Everyone starts at the Civic Club Pond area. You choose to walk around the pond (laps) or around the peninsula (miles).

Miles: We will have mile markers out. The route begins at the pond, goes up Indian Hill Blvd, down to Indian Shore and then around to Sequoia and back to the pond. Then take a right on Indian Hills Blvd., go to the front of the neighborhood (welcome sign), take a left on Shoreline Dr. and go around to Rainer, and finish up back at the Club....1 loop around is about 4.0 miles. You may choose to walk all of the route, part of the route, or go around as many times as you'd like.
