Hello neighbor,

It's a new year and we have four out of five new board members. Let us start by thanking past board members for their service, and their support in helping us get up and running. We look forward to working with them, and you, to keep our community special. We also want to thank the Ladies' Auxiliary for having the beautiful fountain installed in our pond. WE LOVE IT!

With all the new growth in our community, we want to see about adding some new amenities - pickle ball, frisbee golf or maybe a mural. The board welcomes your input and ideas, and asks for your support.

Annual dues are \$75 per person - please mail a check, bring your funds to a meeting or use the link on our website to make payment. Your dues fund upkeep, activities we have come to love such as the 4th of July parade, Christmas and Thanksgiving parties, ice cream socials, etc. Please encourage your neighbors to join.

Finally, please know that while our Civic Club has no authority over our roads, your board is continuing to work with our county commissioner to get some love for our roads.

The enclosed sticker is a reminder of what a great place we get to call home.

Our Quarterly Meetings:

Held the second Saturday of January, April, July & October, starting at 4pm, in the Civic Club building. We encourage everyone to attend meetings, to keep up with happenings in your neighborhood, or to make suggestions you may have to improve it, or events the the Civic Club doesn't hold that you would like to see included in our calendar

The Ladies Auxiliary

The Ladies' Auxiliary is a big part of what keeps this neighborhood a fun and friendly place to call home. We are a small group of ladies who volunteer our time and energy promoting and organizing the events that your families have come to rely on.

Please consider joining us on the first Wednesday of each month at 10:30 a.m. at the Civic Club building.
